

B I N G O

Someone with a more sensitive microphone talks over you during a conference call	Unnecessary online shopping	Run out of things to watch on Netflix	Get distracted by your own face in the camera.	"Oh no, you froze!"
"Can you hear me now?"	Someone accidentally starts talking while on mute	Laundry break!	You get a call from a coworker/client while on another video call.	Look at tutorials for DIY face masks
Rationalize UberEats as "supporting local small businesses"	Go a full day without looking at COVID-related news	Free No Pants Required (Still)	Run out of snacks and debate if a grocery run is worth the risk	Someone's dog barks during a conference call
The number of browser tabs open is getting out of hand.	Accidentally work until 10pm.	"When things get back to normal we'll..."	Contemplate getting a tattoo when this is all over	Use the company Zoom for a virtual happy hour with friends
"Can you repeat that? You cut out."	A coworker looks like an 8-bit video game character during a video call	"Let's circle back"	Attempt to bake your own bread	Reference Star Wars in a client conversation
